Block 99% of spam without blocking legitimate e-mail...

Visionary Computers is proud to partner with SpamStopsHere to offer a comprehensive spam solution for our customers.

SpamStopsHere features include:

- **Effective and accurate – blocks 99% of spam, passes 99.99% of legitimate email**
- Unique databases updated every 10 minutes to stop the latest spam campaigns
- Does not filter based on simple phrases or “trigger” words. Allows any content.
- Optional domain-specific Whitelist and Blacklist, custom filters and much more.
- Spam blocked by each filter level can be reviewed, rejected to sender, or deleted.
- Fast, professional and personal customer service.
- Improves your email reliability – each customer connected to redundant servers at USA datacenters. Auto-store and forward.

SpamStopsHere works seamlessly and transparently with most e-mail/web hosting environments (including Visionary Web’s):

- No hardware or software to install or maintain, no tuning, no training
- Nothing technical to learn or do, no changes to any of your computers
